Winter Track Post-Season Meeting Minutes March 19, 2026 10am

1. Welcome and introductions-In attendance were- Scot Austin-Toms River Schools, Kyle Austin-Toms River Schools, Mark Jarvis-Coach Cherokee HS, John Schwarz-Tournament Director, Matt VanDeursen-Coach Dayton Regional HS, Sean Dowd-State Assignor, John Tonero-Tournament Director, Karen O'Neil-AD Seneca HS, Derryk Sellers-NJSIAA
2. Review of previous Post-Season Minutes- Previous years minutes were distributed and reviewed. Motion to accept the minutes (John Schwarz), 2nd (John Tonero)
3. Review current tournament regulations and any proposed changes for next season-It was suggested that the following lane assignments be used in the bubble next season. The assignments will be as follows 3,4,2,5,6,1 based on seed with lane 3 being the top seed and lane 4 would be the second seed and so on.
4. Correspondence (See Attached)-One piece of correspondence suggested a start time of 4:20. Kyle explained again that he must wait for his timing crew to get off their teaching assignments and make their way to the bubble. Also, due to the dismissal of the schools and the number of teams that disregard our suggestions to show up not so early. We will continue to work diligently with the Toms River Public Schools to accommodate any requests they have for us to continue to work together.
5. Review of the regular season (Positive / Negative)
 - Move off Sundays- We will try to make some changes to the weekend schedules for 2026-27 school year. May not be able to move off the Sunday but we will try to only have one meet for each day we are there.
 - Long Jump-The long jump will not be added to the meets for next year. It would not work logistically for running the rest of the meet
 - Ocean Breeze- We can ask for more dates but with the amount of meets they have there, we will only have our MOC at Ocean Breeze. They cannot accommodate all the dates that we would need.
6. Review of the post-season (Positive / Negative)
 - MOC- Ocean Breeze- There was a discussion that we use lane 1 for the pole vault to help the meet run smoothly.
 - There was a discussion about changing the order of events but it was not voted on to change.
 - Also all Group 3 will be the same week, and all Group 4 will be the same week Group ½ will be on Saturday/Sunday
7. Review of dates for next season (See Handout)
