

IMPORTANT: Updating Records for Out-of-State / Non-Member Opponents

To: Athletic Directors & Coaches

Re: OOS/NJ Non-Member Opponents – REQUIRED Record Updates

For any school competing against out-of-state (OOS) or non-member opponents, you must update these opponents' records as soon as possible. The PowerPoint formula on NJ.com relies on the current records of all your team's opponents. When entering records for out-of-state / non-member opponents, remember it is the opponents first "N" games for that sport. The system will not let you enter any games above the "N" for that sport.

Why This Matters

The njschoolsports.com system automatically tracks records for all NJSIAA member schools, including "Federated" members.

However, the system cannot track records for:

- Out-of-state opponents
- Non-member opponents

Because of this limitation, coaches are responsible for reporting records for all OOS and non-member opponents.

How to Report

Use the "OOS" button on your team's dashboard in njschoolsports.com. This button appears next to any opponent requiring an OOS record entry.

When to Enter or Update Records

- Enter the opponent's record on the day of the game.
- Update the record once per week throughout the season.
- Double-check all OOS entries to ensure the record is accurate as of our cutoff date.

PowerPoints Impact

You will not receive residual points for any game against an OOS/non-member opponent until that team's record is entered.

Failure to enter these records will:

- Lower your team's power points
- Produce incomplete or inaccurate standings for your section

Additional Notes

Note 1: Out of State Opponents:

If an OOS record already appears, it means another NJ school also played that opponent and entered a record. If the record is outdated, you may update it.

Note 2: Federated Members:

You may ignore the OOS button for any “Federated” member. Their records are automatically tracked.

Current Federated members include:

- Blair Academy
- Frisch School
- Hun School
- Lawrenceville School
- Patrick School (HS team only, not National Team)
- Peddie School
- Pennington School

Helpful Resource

NJ.com provides an FAQ with step-by-step OOS record instructions (including screenshots):
