Hello Everyone

Please read the details below if you are interested in attending. Do not miss out on this opportunity! Thanks again for allowing us to move forward in this which we feel is very positive.

PLEASE READ THE INFORMATION BELOW

To All Officials and Stakeholders,

The NJSIAA will continue using NJ Live to streamline officiating assignments for the State Basketball Tournament and conference games. This model has proven effective during both the regular season and State Tournaments.

NJSIAA assignors oversee all State Tournament assignments. Conference assignors are invited to attend, observe, evaluate, and recruit officials. They also submit preferred officials for tournament consideration, alongside input from statewide observers, which plays a key role in selections.

The New Jersey Basketball Coaches Association assembles tournament teams with Tournament Director Al Stumpf present. This event is approved by the NJSIAA.

Looking ahead, NJ Live will again host an Observation Camp, offering officials an additional, objective evaluation opportunity. NJSIAA-appointed staff will observe participants in live play, helping identify candidates for State Tournament assignments.

This initiative provides valuable exposure, development, and feedback. High-level instructors (high school, college, NBA) that can lead to opportunities beyond high school. This is a valuable opportunity for officials to **be seen and evaluated**—something that many officials strive for.

We appreciate your continued dedication to excellence and look forward to supporting your growth while ensuring top-quality officiating for student-athletes.

Sincerely,

NJSIAA Basketball Assignor Staff & the NJ Basketball Coaches Association
