Spectator Code of Conduct Policy

- Mandatory starting with 2025-2026 school year
- Requires schools to adopt a policy, which:
 - Parents/guardians must sign off acknowledging policy
 - Identify unsportsmanlike behavior
 - Disciplinary action for policy violations
- Officials should continue to contact NJSIAA staff with spectator issues and concerns

Unsportsmanlike Conduct by Players

- Examples of unsportsmanlike conduct by players:
 - Taunting acts, words or insignia
 - **Any form of taunting which is intended or designed to embarrass, ridicule or demean opponents, spectators, or others**
 - Use of profanity, insulting or vulgar language or gesture
 - **Any delayed, excess or prolonged act by which a player attempts to focus attention upon themselves**
- Unsportsmanlike penalties may result in disqualification if judged to be flagrant

Players Leaving the Bench Area

Any player that leaves the bench area during an altercation, regardless of whether the player engages in the altercation, shall be disqualified, and will be subject to the disqualification penalty (automatically disqualified from the next two contests, except for football which is one game). Only coaches can leave the bench with the purpose of restraining players and stopping the altercation.

Any player who leaves the bench area at any point during an interscholastic event is automatically disqualified. **If an official is unable to identify the player(s) who left the bench area, then the official must notify the athletic director, or site manager, prior to the leaving the event that they will be notifying NJSIAA staff so that video can be reviewed to determine which player(s) should be disqualified.**

Use of Video for Sportsmanship Violations

NJSIAA reserves the right to use video to determine for the following situations:

1. To identify if a violation of our sportsmanship policy occurred and to determine if additional disqualifications are necessary.
2. To correctly identify the players that have left the bench.
3. To ensure that disqualifications are correctly identified.

NJSIAA staff is responsible for entering these additional disqualifications in the system.

Implicit Bias Training

This workshop is required! No official will be eligible for any regular and or post-season state tournament assignments without participating in the workshop. Similar workshops, like the NFHS course, will not be accepted.

This is a one-time-only requirement - it will not be a seasonal or annual requirement.

This course can be taken at any time we offer it. You do not have to be registered with the NJSIAA or apart of any chapter to take the course. We have very limited course offerings so please take the course ASAP.

Course offering can be found on our website me clicking the official's menu tab.

DQ Report (1 or 2 Game Sit)

A disqualification (DQ) indicates a direct violation of the sportsmanship policy. Any flagrant physical or verbal misconduct by a player or coach requires immediate ejection from the contest and results in an additional two-game suspension (one game for football).

The offending school must be notified by email or phone call no later than noon on the day following the contest. All DQ reports must be completed and submitted within 48 hours of the contest's conclusion.

Unsportsmanlike Report

Unsportsmanlike behavior includes any inappropriate conduct by players, coaches, spectators, or administrative personnel. Individuals who engage in such behavior may receive a warning or be ejected from the contest.

An ejection results in removal from the contest only and does not carry any additional penalties or suspensions unless otherwise specified by the NJSIAA or the school/s involved.

Certainty Over Severity

People are deterred from wrongdoing not because of how harsh the punishment is, but because they believe it is inevitable.

Key Points:

- If people are confident that a consequence will happen, even if it's mild, they are less likely to take the risk.
- Punishment works best when it's consistent and predictable.
- Policies that focus on consistent enforcement of laws (e.g., frequent audits or routine checks) are often more effective than draconian penalties that are rarely applied.

This idea challenges the notion that harsher penalties alone are sufficient to prevent undesirable actions. Instead, it supports the importance of a justice system that is reliable and consistent.

DQ Rule

Disqualification Rule

1. There are only two types of flagrant unsportsmanlike misconduct that necessitate disqualification.
 - Physical unsportsmanlike flagrant misconduct
 - Verbal unsportsmanlike flagrant misconduct
2. Flagrant is a glaring action by a player or coach which is excessive physical play or unacceptable verbal conduct as judged by the game/meet official(s).
3. Flagrant, unsportsmanlike misconduct is not a “playing rule” violation. The determination of disqualification must be made at the time of the violation.
4. Prudent judgment should be utilized by all officials prior to any disqualification.
5. All disqualifications for flagrant, unsportsmanlike conduct (Physical & Verbal) will always carry the additional game(s) penalty.
6. Ejection or removal of a player for a specific sports rule will carry the disqualification penalty only when it includes a flagrant unsportsmanlike act.

DQ Reporting

- Official must contact the AD by noon of the next day. Acceptable forms of communication are email, talking to the AD at the game, or on the phone. Leaving a message is not acceptable.
- The online report must be sent within 48 hours from the completion of the game
- Take your time and get it right!
- In certain circumstances, officials are encouraged to use video (if available) to confirm the information is correct before filing the DQ with the NJSIAA.
- Schools will not be penalized for playing a player that eventually was disqualified within the 48-hour period.
- Official must notify the coach before they leave the facility that it was a DQ or in the case where multiple DQ's (fight) is possible, inform the coach and AD DQ's are coming.
- DQ is a DQ, officials are not permitted to change their mind after it is called
- DQ appeals will **NOT** be accepted by the NJSIAA
- Please remember to be signed into the website to enter a DQ

DQ vs. Game Ejection

Disqualification Rule

Any student-athlete or coach disqualified before, during or after an interscholastic event for unsportsmanlike, flagrant verbal or physical misconduct will be disqualified from the next two regularly scheduled contests, except for football which will carry a one game disqualification.

Game Ejection

Definition of a game ejection is any player removed from a game for behavior that is not considered unsportsmanlike, and does not require a DQ report to be filed.

Sportsmanship

It shall be the responsibility of each member school to ensure that all individuals employed by or directly associated with the athletic program, including its Student-Athletes, comport themselves in a sportsmanlike manner when representing their school, especially at interscholastic events.

Sportsmanship Statement

- Must be read at all levels (no choice – AG office mandate)
- Must be read in its entirety (no paraphrasing)
- Must be professional in the delivery
- Must be read to all members of the team regardless of the size of the team.
- PA announcers – different version
- The sportsmanship policy must be adhered to before, during and after the contest.

Sportsmanship Statement

The NJSIAA requires officials to enforce all rules regarding unsportsmanlike conduct by coaches and players. There will be no tolerance for any negative behavior, such as taunting, trash-talking and verbal, written, or physical conduct related to race, gender, ethnicity, disability, sexual orientation, or religion. Such behavior will result in being ejected from this event. All participants must respect the game, respect the officials, and respect their opponents.

Handshake

Handshake Protocol

1. It is the schools/coaches' responsibility to supervise the handshake. Administrators/security should be stationed within close proximity to the handshake line. Officials are not required to supervise the handshake.
2. One team should be on the right and the other team should be on the left. Players from one team should not be allowed to walk down both sides of the line.
3. Absolutely no non-essential personnel should be allowed on the playing surface until both teams have reached a designated area after completion of the handshake line.
4. A coach or site personnel should be stationed at the end of the handshake line to direct the players who have completed the handshake to a designated area.
5. Best practice is to have coaches at the front and end of the line. If that is not practical, a coach at the end of the line is mandatory.

Conflict of Interest Policy

Conflict of Interest

Officials must remain highly vigilant and adhere strictly to the NJSIAA conflict of interest policy when accepting officiating assignments. This is especially critical for officials who also coach (in any capacity) the same sport they officiate in, as this may present an increased risk of perceived or actual conflicts.

In Addition, any personal or professional relationship that creates even the appearance of a conflict of interest must be avoided.

Do not accept any assignments if any of the following apply to you:

You are currently employed in the school district.

You have been employed in the district within the past 10 years.

You have a close relative who is employed in the district.

You have a child attending any school within the district.

Please Note: The list above does not include all potential conflicts.

Heat Policy

- The heat policy and subsequent modifications is the decision of the school district. They will determine the correct procedure as spelled out in the heat policy.
- Officials are not involved in this decision regarding the heat policy before or during the game.
- School district personnel should be in communication with all officials assigned to the game regarding modifications if needed.

NFHS Rules – Hair Adornments, Religious Items, and Jewelry

The NFHS has adopted several rules concerning hair adornments, religious items, and jewelry across multiple sports.

It is extremely important that all administrators, coaches, officials, and student-athletes are aware of these rules to ensure everyone's safety and a consistent understanding by all stakeholders.

Prior to the start of the competition, it is the head coach's responsibility to ensure that his or her student-athletes are properly equipped by adhering to all NFHS uniform rules.

If an official notices a violation of any NFHS uniform rule, the official should address the violation **with the head coach only** – the official is not to address the violation with the student-athlete or anyone else associated with the team.

The head coach is responsible for working with the student-athlete to remedy the violation to the satisfaction of the official.

All involved are encouraged to review the full rulebook prior to the season.

School Uniform Modifications

Schools may permit modifications of uniforms for hair adornments, cultural/religious reasons, jewelry, and transgender modifications without an approval letter from the NJSIAA.

Pursuant to NJ law and NJSIAA policy, the NJSIAA will approve all reasonable accommodations regarding uniforms as it relates to transgender student-athletes. If there are any questions regarding this on the day of the contest, officials are instructed to continue with the contest and notify the NJSIAA the following day.

Officials are instructed to continue with the contest and notify the NJSIAA if there are concerns the following day. No accommodation may create an unsafe environment for any participant.

Any concerns regarding the accommodations must be addressed through the coach, not the athlete.

Officials Apparel

The NJSIAA is proud to continue our relationship with Smitty apparel as our exclusive supplier of officials' uniforms. Smitty is a nationwide company with an outstanding product, serving many states as well as being the official manufacturer of the NFHS. Their website will help you find all local vendors that will be selling Smitty apparel. smittyapparel.com

Officials are required to wear only Smitty apparel.

Officials Logo

All officials (any level) that are registered with the NJSIAA must wear the approved NJSIAA logo on the chosen apparel (shirt/jacket). All officials must match if there are color options.

For those officials that wear hats during their contests; During the regular season, the hats can have either the NJSIAA logo or their chapters logo; During the tournament, all hats must have the NJSIAA logo.
