4. Review of the regular season (Positive / Negative)- Colleen thanked Matt Kovachik for his efforts in bringing the shot clock to a vote. Power points will change again how its calculated. The power points are a work in progress, and they will be adjusted to help maintain their integrity. The Coaches would also like to count best 14 games for the power points. Classifications for the Spring 2027 should be out in the fall 2026. The coaches asked to play state tournament games on Wednesday/Saturday. The coaches also wanted to investigate changing the 60 percent requirement for games.
5. Review of the post-season (Positive / Negative)- We should look into a plan for weather at TCNJ for the lacrosse finals. We should make sure there are adequate spaces for teams to go. It was our first time there and we fully expect things to be improved next year.
6. Review of dates for next season- Dates will be posted later to try to accommodate the requests for tournament dates.
7. Review of current regulations and any proposed changes for next season- The shot clock cannot be presented to the body for two years. In the meantime, we will continue to monitor what NFHS is doing with their New York pilot program.
8. New Business- None
9. Old Business- None
