2026-27 NJSIAA Boys & Girls Individual Swimming Tournament

NJSIAA reserves the right to adjust, change or cancel dates, times, and locations for any round of competition during NJSIAA state tournaments. Schools entering the tournament will not be granted a change of date/time due to any conflicts with school trips, proms, banquets, SATs, unless agreed upon by both schools. During the spring tournament season, we will make every effort to accommodate schools that have a conflict with their graduation.

Member schools will not be eligible to participate in any NJSIAA Tournaments if it has violated the NJSIAA Constitution, Bylaws, Rules, Regulations, Guidelines, Policies, or Procedures. Any student-athlete who transfers after the competition start date will not be eligible for this tournament.

State tournament sites will not be declared unsuitable merely because conditions are less than perfect unless Leagues or Conferences have ruled such sites unsuitable for League or Conference play. However, NJSIAA reserves the right to move an event to another facility if the playing conditions are not considered suitable for that competition, or if the facility will significantly limit anticipated attendance at the event.

Schools are to be reminded of the 3-team DQ rule for state tournament eligibility, which states “Any varsity team accumulating three or more player or coach disqualifications prior to the team’s participation in the state tournament will not be permitted to participate in the state tournament. The 3-team DQ rule is not applicable during participation in the state tournament.

The NJSIAA will follow the procedure below for schools that are disqualified from state tournament competition:

1. If a school is disqualified, either for the use of an ineligible player or violating the 3-team DQ rule, from state tournament competition after the tournament has been seeded but prior to the bracket being final, then the bracket will be reseeded and the next ranked school who entered the tournament will be included.
2. If a school is disqualified, either for the use of an ineligible player or violating the 3-team DQ rule, from state tournament competition after the tournament has been seeded and after the bracket is final, then the bracket will not be reseeded, and no additional school will be included.
3. If a school is disqualified from state tournament competition due to the use of an ineligible player during the state tournament, then the school will be removed from the tournament immediately and their last opponent will advance in their place.

Schools participating in any NJSIAA tournament are responsible for the actions and behaviors of their spectators. Schools are required to provide adequate staff security to ensure there is proper oversight of their spectators. In addition, schools are financially responsible for any damage to the property or premises caused by their student-athletes, staff, or spectators (spectators include, but are not limited to, cheerleaders, marching band participants, students, and other fans).

NJSIAA requires Certified Athletic Trainers at all its tournament events. The ATC must document all injuries on an injury report form. This form must be available to the NJSIAA upon request.

Member schools that are not willing or able to comply with NJSIAA tournament regulations and any relevant procedures found in the state tournament operating procedures handbook should not enter the tournament. Member schools are encouraged to review NJSIAA tournament regulations with the school administration. Coaches must have a copy of the tournament regulations as well as a copy of the rule modifications (if any)
